DCI SECURITY COMMITTEE

MONTHLY REPORT

October 1977

I. Highlights:

a. (U) At its 26 October 1977 meeting, the Security Committee completed its action on a proposed DCID setting forth uniform procedures for administrative handling and accountability of sensitive compartmented information (SCI). The NSA member was not in complete agreement with the DCID so an attempt will be made to reconcile these differences. If this is not possible, the DCID will be forwarded to the NFIB with the NSA position footnoted.

II. Work in Progress:

a. (U) A SECOM staff member has continued to work closely with the ICRC, Defense, CIA, and the NSC on the Executive Order on classification and the implementing order. An IC Staff position was prepared and forwarded to the OGC/CIA for consideration for inclusion in the official DCI position on the Executive Order.

b. (U) Assistance was provided to Capt. Bausch and an officer from DIA in drafting a paper on security considerations on providing U.S. tactical commanders a broader range of intelligence information.

c. (U) Definitions of security terms were provided to the Definitions Working Group, chaired by the Office of Policy and Planning.

d. (U) Recommendations for staffing and functions of the Security Committee Staff were prepared and forwarded to the A/D/DCI/IC.

f. (U) The Computer Security Subcommittee met twice during the month for briefings from private industry and other government agencies on computer security, particularly the multi-level security problem. Contributions to the Information Handling Committee report to the Senate Select Committee are now being prepared on the computer security problem and the threat to computer operations.

g. (U) The NFIB comments on DCID 1/16 on computer security are being analyzed and phased into a rewrite of the DCID where possible. When this is completed, it will be resubmitted to the NFIB Secretariat.

h. (U) Mr. Roland Morrow, Chief, Defense Investigative Programs Office, visited the Security Committee Staff to discuss matters of mutual interest. Mr. Morrow manages all DOD investigative and CI activities. He is particularly interested in our progress on investigative standards and personnel security.
